## **PUBLIC ANNOUNCEMENT**

The public is hereby inform that due to ROP Preparedness for Novel Coronavirus, the HCF Office is relocating to a temporary office located at the Ngarachamayong Cultural Center, Ngarachamayong Room, 1<sup>st</sup> door on your left at the building entrance. The office will be in normal operations by Monday, February 10. All the communications are being set up at the new location. The office contact numbers are the same: 488-1904 and 488-4020. We ask all our visitors to please park at the parking lot when you visit our office, and, please avoid spitting around the premises and on to the plants. We are indeed fortunate to have the use of this building at such a short notice

We also wish to share with our patients traveling to **Taiwan** of the following situation regarding Novel Coronavirus (2019-nCoV) in Taiwan as at February 3, 2020:

1. There are 10 confirmed cases and 1,066 suspected cases (900 cases showed negative PCR test and the rest still pending results;
2. 476 Taiwanese are stranded in Hubei and charter flight are bringing them home to Taiwan, but first to designated location at several sites within Taiwan to be quarantined for 14 days;
3. Surgical Mask Regulations:
  - a. It is recommended that all passengers traveling to Taiwan should wear mask during traveling;
  - b. It is a requirement to wear a mask upon arrival at the Taiwan airport;
  - c. We asked that you bring enough masks with you to last your stay in Taiwan as you may face some challenges in sourcing your mask there;
  - d. People can only purchase 2 surgical masks in one week and you have to show Taiwan NHI Insurance Card and ID for purchase;
  - e. Foreigners who do not have Taiwan NHI Card or ID may not be able to purchase the surgical masks;
  - f. All the hospitals require everyone to wear mask to enter;
  - g. It is recommended that you change your mask every 6-8 hours in the hospital
  - h. There are 6 patients from Palau who are at Taiwan hospitals as of date; and
  - i. Four (4) will be departing on February 5, 2020.

Based on the above situation of Novel Coronavirus and continued spreading to other countries, we urge all patients and visitors to Taiwan to heed the advisory of His Excellency Tommy E. Remengesau Jr. and cease any traveling until such time the Coronavirus is well contained.
